

PRODUCTS FOR THE
Paints and Coatings Industry

Paints & Coatings Product Lines

EPOXY RESINS

- Epoxy Resin - Solutions
- Unmodified liquid & solid
- Modified liquid & solid

WATER/MOISTURE IMPROVEMENT

- Coal Tar – improves water & moisture resistance of epoxy systems

ALKYDS

- Industrial & Decorative
- Binders for Ink & Adhesives

REACTIVE DILUENT

- Alkyl Glycidyl Ether

WEATHER RESISTANCE, CHEMICAL RESISTANCE, CORROSION INHIBITOR

- Raw Linseed oil
- Chlorinated Paraffin
- Chlorinated Rubber (fine powder)
- Zinc Oxide
- Silane Concrete Sealer

ADHESION PROMOTERS

- Toluenesulfonamide
- Organosilanes

ADDITIVES

- Defoamers
- High Molecular Weight Dispersants
- Conventional Wetting & Dispersing Agents
- Slip & Leveling Agents
- Gum Rosin
- Hammer Finish

THIXOTROPY, ANTI-SETTLING & ANTI-SAG PROPERTIES

- Fumed Silica, treated & untreated

PIGMENTS – INORGANIC

- Natural Red, Black & Yellow Oxides
- Chromium Green Oxide
- Chrome Yellow
- Moly Orange
- Titanium Dioxide

FLAME RETARDANTS

- TCPP
- Antimony Oxide
- Zinc Borate

HARDENERS & ACCELERATORS

- Aliphatic Amine
- Cycloaliphatic Amine
- Reactive Polyamide & Solution types
- Accelerators (Lewis based catalyst)
- Boiled Linseed Oil (accelerates hardening & adds gloss)

AKROCHEM.COM

PIGMENTS – ORGANIC

- Aluminum Paste Leafing in Mineral Spirits
- Aluminum Paste Non-Leafing
- Bordeaux Red
- Phthalo Blue
- Phthalo Green
- Orange 05
- Orange 34
- Orange 36
- Red 170
- Violet
- Yellow 65
- Yellow 83
- Yellow 74
- Yellow 139

SOLVENTS

- Benzyl Alcohol
- Cyclohexanone
- Dimethyl Carbonate (DMC)
- DIPA 85PCT
- Dipentene
- Isopropanol (IPA)
- Potassium Tri Poly (KTPP)
- Propylene Carbonate
- Xylene
- Glycol Ether (various grades)
- PM Acetate
- Propylene Glycol
- Mineral Spirits
- Toluene
- Normal Butyl Acetate
- Normal Butyl Alcohol
- Acetone

PACKAGING – METAL

CANS

- Range of sizes (¼ pint to 1 gallon)
- With and without bails & ears
- Various Lid/Closure types
- RID/ADR Approved closures

PAILS

- Range of sizes (ie: 1-7 gallon), inquire for your specific needs
- Standard Colors are black, white and grey but not limited to these
- Lithography available to create permanent logos & warning labels etc.

Please inquire for additional product and availability
