AKROFORM® TMTD -75/EPR/P-OR

PRODUCT DESCRIPTION:

Akroform TMTD-75/EPR/P-OR is a polymeric dispersion of Tetramethyl Thiuram Disulfide. TMTD is a non-discoloring, non-staining very active thiuram accelerator. TMTD is an powerful secondary accelerator for natural and most synthetic rubbers. It can function as a retarder in polychloroprene. TMTD provides approximately 13% of its active weight as sulfur in sulfur-donor curing.

TYPICAL PROPERTIES:

Specific Gravity	1.20
Appearance.....	1/4 “orange pellets
Percent Active	75%
Binder.....	EPR
Packaging.....	55.1 pound net weight cartons

Note: TMTD-75/EPR/P-OR is screened through a 100 mesh screen.

ADVANTAGES:

Polymer bound or encapsulated dispersions are a proven means of upgrading plant safety, efficiency, quality & raw material control.

Akrochem polymer bound or encapsulated chemical dispersions eliminate any irritating dust, as well as other potential hazards in handling powders in the plant. The physical form is easy to handle and weigh accurately. With a dispersion, better uniformity of the mix at lower processing temperatures is possible.

Included with its product literature and upon the request of its customers, Akrochem provides product specifications and evaluations, suggested formulations and recommendations and other technical assistance, both orally and in writing (collectively the "Technical Information"). Although Akrochem believes all Technical Information to be true and correct, it makes no warranty, either express or implied, as to the accuracy, completeness, or fitness of the Technical Information for any intended use, or the results which may be obtained by any person using the Technical Information. Akrochem will not be liable for any cost, loss or damage, in tort, contract or otherwise, arising from customer's use of Akrochem products or Technical Information. It is the customer's sole responsibility to test the products and any Technical Information provided to determine whether they are suitable for the customer's needs. Before working with any product, the

customer must read and become familiar with available information concerning its hazards, proper use, storage and handling, including all health, safety, and hygiene precautions recommended by the manufacturer. Nothing in the Technical Information is intended to be a recommendation to use any product, method, or process in violation of any intellectual property rights governing such product, method, or process. No license is implied or granted by Akrochem as to any such product, method, or process. AKROCHEM CORPORATION DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, RELATED TO ANY PRODUCTS OR TECHNICAL INFORMATION PROVIDED BY AKROCHEM.
